# club 2019 Awards issue

Here at ***Club***, we do our darnedest to provide you with exciting issues month after month. In our long and glorious history we've seen a myriad of adult performers cum and go. We've seen fashions and trends change over the years. Fortunately for all of us, sex has not changed. Oh sure, the industry has created labels to categorize and sell, and we all follow along. In this issue, we've complied 17 categories of today's sexiest adult female performers. That's not to exclude the men, but as you know, our forte is the ladies. As an extra bonus, please enjoy XXX videos of our models.

## BEST GIRL-GIRL-BOY SCENE

***Kendall Brooks, Julian, Brooke Belle*** When Brooke, Kendall and Julian got naked, it set our pages on fire. Julian allowed these two ladies to take advantage of him. The double blow job the girls put on Julian was hot, but Brooke riding Julian's face as even hotter. These beautiful people really kept the sexual energy up and kudos to Julian for keeping his jumbo rod up.

## BEST BREASTS

***Megan Salinas*** **With more than 5,000 breasts crossing our desk every year, it's awfully hard to select just two. Is it their size? Is it their fullness? Is it the nipple? Is it the way they hang in doggie style? After tireless hours, we've selected Megan. Her perfect D-cups made us all drool.**

HOT SHOTS FROM THE JIZZ BIZ!

# UPFRONT

Seeing the appeal of Steele in Jules Jordan's *Lex The Impaler 4.*

## This month's ubiquitous girl: Lisa Ann

It wasn't long ago that Lisa Ann was all retired. Now? She's all full of cock. She's in a MILF movie here, a Cougar movie there (no, we don't know the difference either) and parodying a politician over there. Still, as long as she keeps treating viewers to reams of tit-fucks and anal, we'll keep watching until she graduates to being a GILF.

## THINGS GIRLS ARE DOING IN MOVIES THIS MONTH:

## The things we've noticed about porn this month:

Contract girls are getting nastier. Remember Jenna Haze's contract years? Vanilla lesbian garbage. Now, we've got Vivid hottie Savanna Samson being DP'd and

Savanna: Contract girl gone wild in Vivid's *Gotcha.*

Digital Playground babe Stoya getting buttfucked. Truly, this is a golden age.

There are only about four porn studs left. James Deen, Marco Banderas, Scott Nails and Manuel Ferrara seem to do all the fucking we get to watch. They must rest their dicks in an ice bucket every night.

Don't bother trying to jerk off in China. The authorities have just passed a law saying that all computers must be built with pre-installed filtering software, and you can't get porn search results from Google any more over there. Big laughs…

There are so many comebacks, it's like there aren't any retired porn stars left. That worldwide economic downturn must be biting hard…

## FUNNY TITLE OF THE MONTH: SWALLOW YOUR DREAMS (3RD DEGREE)

Jelena Jensen: now accepting cocks.

## LEAST APPEALING TITLE OF THE MONTH: TRANSSEXUAL BABYSITTERS 10 (DEVIL'S FILM)

## Did she really say that?

"There are things I wouldn't do on camera." – Annette Schwarz. Well, Annette, we can't think of any off the top of our head. No, you've got us totally stumped…

## BEST ALL-GIRL SCENE

This is what happens when a bunch girls get detention after school for skipping class, talking on cell phones and making out! These nine young ladies were all over each other as soon as the teacher left the room. They quickly stripped down to panties and bras and before long the were licking each other. That hot daisy chain at the end made this scene a real winner.

***Featuring: Jordan Kingsley, Kagney Linn Karter, Brynn Tyler, Ashli Orion, Kayla Carrera, London Keyes, Tory Lane, Audrey Bitoni, Alexis Texas... Whew!***

## BEST NEWBIE

***Elsa Jean*** This little doe-eyed cutie has quickly become an industry favorite. With her girl-next-door All-American looks, she may look all innocent but once the cameras start rolling… look out! Using her beautiful mouth, she'll clamp down on your dick and won't stop sucking until she milks you for all you've got. And oh – that sweet, sweet pussy. Let's all give it up for this cutie newbie.

## BEST PERFECT PUSSY

***Nicole Aniston*** Ok, we'll have to fess up. All women's pussys are perfect!. They are what makes the world go around. They nurture and tease. Wars have been fought for the; from inside the house to all around the world. However, in this case, we culdn't help but absolutely adore this photo and wish we could crawl deep inside. It's the reason you say: It's the best I've ever had.

## BEST MILF

***Phoenix Marie*** is not only easy on the eyes but also knows how to work the camera. Being a MILF comes with lots of experience and I bet we could all learn a thing or two by watching this beauty in action. Although she says she doesn't prefer sex toys in her private life, she's more than willing to give us the hottest dildo scene this side of Phoenix. These photos confirm our choice.

2019 club Awards

## BEST BUTT(S)

***Kissa Sims, Katrina Jade*** An ass is an ass, of course, of course, and everyone loves an ass, of course, unless that ass belongs to either of our two best asses. Just as much fun as finding best breasts was searching high and low for bountiful booty. Unable to decide on just one, we had to go for two. And oh what they can do with them. If we all lived on Uranus, they'd be the rulers of it.

## Kristina Rose: Dirty Girl

**Starring: Kristina Rose, Rebeca Linares, Tori Black, James Deen, Mark Ashley, Michael Stefano.**
**Directed by: Sam No.**
**Available from: Elegant Angel.**

Kristina Rose is a lithe, tight-bodied brunette who, as the title of this DVD clearly states, is a dirty girl. And seeing as the naughty starlet is in every scene, fans have got six good reasons to get their hands on this disc.

Scene one begins with Kristina and the equally cute Tori Black doing a goofy little dance by the pool. Before long, presumably having realized just how lame their moves are, the girls head inside to explore each other's intimates. At precisely the point the viewer might be tempted to skip the vanilla lesbianery on display, Mark Ashley shows up to put his cock in their holes. Both girls take Mark's cock deep in plenty of positions and lick each other's juice from it. They also share a gooey wad which, given the circumstances, would seem to be the thing to do.

In the next scene, Kristina gives away her anal cherry, which isn't exactly the earth-shattering event the boxcover would have us believe (seriously – are we supposed to get that excited when a filthy porn slut takes it up the ass?) Anyhoo, James Deen is the guy who gets to take it, but not before she's on her knees giving him a hands-free blowie. Plenty of standing-up doggie precedes the anal, and then James firmly embeds himself in Kristina's waste disposal. She has a fine ass and, I must admit, it's fun watching it get doinked.

Scene three is just Kristina solo, so we'll skip straight to the one in which she takes on five cocks in one go. If I were ever to find myself in a room with five nude men sporting erections I would run screaming from the building, but Kristina actually seems to enjoy it. I guess it takes all sorts.

She goes back to one-on-one sex for her next scene, as she bangs Mark Ashley again. More fun is the final vignette, which has Kristina in a little bikini making out with Rebeca Linares by the pool. Both hotties make their way indoors to make a meal of Michael Stefano's proud lump of gristle, and the three of 'em spend the rest of this excellent DVD going at it in a way that makes me both happy and sad. Happy, because I have an erection. Sad, because the only place it's going is in my palm.

# All About Ashlynn 2

**Starring: Ashlynn Brooke, Angelina Valentine, Devon Lee, Faye Reagan, Gianna Lynn, Kina Kai, Sadie West.**
**Directed by: Wicked Sister.**
**Available from: Digital Sin.**

Forgive my heart for sinking a tiny bit when I saw the following on the cover of this movie: 'Girls Only' and 'Over Three Hours'. Yeah, much as I love tits, butts and cunts, I do like to see 'em getting plowed by dicks as a rule.

That said, things start very nicely with Ashlynn getting frisky with Gianna Lynn in the gym. Gianna is a dusky broad, with soot-black hair and great big knockers. The gym seems to have a large supply of sex toys among all the rowing machines, so the girls spend a good half hour plunging them into each other. It's fun, it's nasty and I was pleasantly surprised to find it was easy to masturbate to.

The next scene stars the awesome-chested redhead Faye Reagan as a patient suffering from a dry vagina. Luckily, nurse Ashlynn and doctor Devon Lee are on hand to get that little ginger fuckhole swishing with juice again. In no time, the three of them are lubing each other's slit, and inserting all kinds of dildos into them. Devon Lee also has a humungous rack, so fans of big-boobed lezzers will have plenty to fling their muck at here.

Angelina Valentine stars as a sex therapist next, and looks pretty fine squeezed into a tight pinstripe suit. Ashlynn shows up for some sex advice and Angelina soon opts for a hands-on approach to Ashlynn's problems. Both beauties give a great performance as they probe and lick each other, and ride the sybian to orgasm.

Kina Kai is the next top-heavy starlet to prop herself on the end of a sex toy in Ashlynn's hand. Kina has a nice, shaved pussy and sure seems to enjoy the attention Ashlynn pays it. The formula of this DVD is pretty clear by this time – licking, fingering, then out come the garish toys – but the girls are fun to watch so it seems churlish to complain.

Button-nosed cutie Sadie West is the final chick to play nasty with Ashlynn, and the pair of them go at it for what seems like an hour. Their bedroom-set scene is paced pretty slowly (there's no forced passion here, just girls experimenting with each other) but a pleasure to watch, especially when they're as curvy as this. Sadie puts on a strap-on for the finale, letting Ashlynn ride her and giving us viewers a great view of her peachy ass into the bargain. I'm not a total convert to the girls-only genre, but this flick makes all the right moves.

# The Best of Rachel Rotten Vol. 1

**Starring: Rachel Rotten, Rob Rotten.**
**Directed by: Rob Rotten.**
**Available from: Punx Productions.**

Punk, apparently, isn't dead. It's just making gonzo porn these days. Rob Rotten is a tattooed San Francisco punker and Rachel Rotten, his beautiful wife, is his porno partner. This best-of is an essential insight into the starlet's career, beginning as it does back in 2004 on one of her first shoots.

Just eighteen, we get to see Rachel perform an endearingly amateurish scene with Rob. Neither of them is confident in front of the camera, but the sex between them feels very real. Rob's two-foot high Mohawk and the cheapo action movie soundtrack are kinda off-putting, but this opening scene is a fascinating piece of porno nonetheless.

The second scene is more professional, coming as it does from an Ed Powers feature, and Rachel's body is a work of perfection. That said, her blowjob technique is all over the place (one minute a smooth deep-throat, the next a clumsy tug that looks like it might hurt) and it's pretty off-putting seeing the tattoo along Rob's shaft without imagining the pain he must have endured getting it. Yikes!

Scene three is better – Rachel has really learned how to play to both camera and hubbie when sucking cock now, and gives an enthusiastic face-fuck to Rob. The camerawork here is crisp and clear, the graffiti'd punk setting a perfect scenario for this pair of frisky misfits.

The next scene features Rachel in a tight latex nurse's uniform, down on her knees giving Rob the kind of sucking every good husband deserves. She then checks her pussy with a stethoscope (prognosis: sexy!) and rides Rob in a bunch of positions before letting him spunk up his load in her mouth.

The next scene is also great. Rob is driving the school bus and Rachel is the pig-tailed college cutie who comes up to the front and proceeds to fuck and suck him till he explodes. Great camerawork and natural light are the order of the day, and once again Rachel looks fucking awesome while wrapped around a penis.

The final scene is a bit of homemade porn shot by the couple in a hotel. As a result, the footage itself is a little amateurish but more than makes up for it by being real, with plenty of POV action. If you've yet to sample Rachel's punkish delights, this comp is a great way to make her acquaintance.

# Be My First 2

**Starring: Adrianna Russo, Anna, Debbie White, Eve Angel, Jasmin, Jo, Lea Lexis, Lepidoptera, Mellie, Nina Moonlight, Regina Ice, Sandy, Simone Style, Sophie Moone.**
**Directed by: Anon.**
**Available from: Lesbian Provocateur.**

Oh great, here we go – another three hour girl-on-girl extravaganza, and this time they're identikit Europeans with perfect bods and immaculately-shaved snatches that I can't tell apart even when I'm masturbating over them. The guys at Lesbian Provocateur sure know how to make the same movie over and over, but there's still a lot of eye candy here.

Eve Angel (yay!) and Simone Style begin the lesbo-lickery. Why did I say 'yay'? Because Eve's one of the finest babes to bare all and fuck on camera, that's why. She looks great here in a skimpy bikini, and her pal Simone is pretty easy on the eye too. They go at it in a sun-drenched garden, with a fair amount of emphasis on putting fingers in bungholes.

Nina Moonlight and Lepidoptera (which just sounds like a skin disease) play a game of pool in their frilly basques next. The game is neglected in favor of a burst of licking and probing between the two foxy blondes. All good stuff until a pool cue is unwisely incorporated into the action. That's just irresponsible.

Mellie and Anna are up next, and this time the filmmakers couldn't even be bothered to think up a scenario for them. They just gaze into each other's eyes over a kitchen counter, then peel each other outta their clothes for a sensual Sapphic slurp. Don't know which brunette is which, but one of 'em has the kind of boobs I'd like my future wife to have.

A standout scene comes next, starring as it does the delectable Sandy – whose new tits look bitchin'. She appears with Jasmin, and they're both rally car drivers in tight lycra outfits which make things doubly raunchy. No one does girl-on-girl like Sandy, she practically tears her partner apart (in a nice way, of course). Plenty of fevered rimming, too, which is what a guy likes to see in a girl/girl scene.

Space will only permit a brief rundown of the remaining scenes: Debbie and Jo (blonde and brunette) are good-looking and do it on a sofa. I, as a result, get an erection. Lea Lexis and Regina Ice are dressed as devils, which is kinda dumb but they're still both foxy chicks so I'm willing to forgive. Adrianna Russo (pneumatic blonde) and Sophie Moone (one of the hottest blondes ever) revisit the pool table set-up in tight mini-dresses. Passionate lesbianica ensues, rounding off a neat DVD.

# Bree's Big Campout

**Starring: Alexis Breeze, Annette Allen, Bree Olson, Faye Reagan, Jenny Hendrix, Kris Slater, Danny Wylde, Jack Spade, Frankie Young, Chris Johnson.**
**Directed by: Jim Malibu.**
**Available from: Adam & Eve.**

Yay! A camping trip! Acoustic guitars around campfires, fishing for supper, reading maps upside down in woods, stumbling upon the hideout of a bunch of toothless redneck backpacker-murderers... well, okay, maybe not the last one, but camping trips often involve plenty of the aforementioned pursuits. Except in pornos, when they just involve wall-to-wall sex.

If you've seen more than one adult movie in your life, you'll know that the first scene in a camping-themed porno involves a couple packing their gear and then fucking. *Bree's Big Campout* doesn't go bucking any trends, as that's exactly what happens here. Bree and her boyf giggle and flirt awhile before she slips off her hotpants and drops to her knees to give the lucky bastard a saliva-coated BJ. Then it's onto the sex, which is fun and frisky and guaranteed to raise a tentpole in your pants.

Annette Allen is next to get her chuff chewed in the great outdoors. She's awful cute, this little-titted brunette, and has a good go at deep-throating her stud's boinkpole in their alfresco scene. The sex is a little perfunctory, but the performers make good eye contact throughout, and the overriding impression I get from watching is that it would be very nice to have sex with an attractive woman.

The only thing better than having sex with one attractive woman, I imagine, is having sex with two of 'em, and getting thrown into a tent with Faye Reagan and Alexis Breeze – the stars of the next scene – would be a penis-changing experience. Faye in particular has given me more erections in the last few months than any other up-and-cummer – something about that red hair and those über-firm airbags. That said, this is a pretty tame girl/girl scene. They could show this in the afternoon on network TV and no one would bat an eyelid.

Jenny Hendrix (who seems to be wearing a wig) gets it on with some dude in a pool next, which leaves me cold. Far better is the following scene, featuring as it does the lovely Bree and two guys just begging to have their penises sucked. Bree contractually obliges, and the three of 'em get down to another fun alfresco romp. There's something about the way Bree looks so fucking happy when she's plugged up with dick, well, it just melts the heart. That said, she's appeared in many far better movies than this one, so unless you're an avid fan, you needn't waste your bucks.

# Seduction

**Starring: jessica drake, Nika Noire, Ahryan Astyn, Alektra Blue, Eve Nicholson, Herschel Savage, Jerry, Marco Banderas, Randy Spears, Danny Mountain, Derrick Pierce.**
**Directed by: Laurent Sky.**
**Available from: Wicked Pictures.**

Another glossy, expensive-looking sexfest from celebrated smut director Laurent Sky, the imaginatively-named *Seduction* is an exploration of jessica drake's fantasies, or so her voice-over would have us believe. She's been on the scene a good while, jessica, but she still looks damn hot.

We start the proceedings with jessica and brunette Alektra Blue finger-fucking on a leather couch in a weird room with big TV screens all around. As various slogans are broadcast on the screens, the girls noisily lick, suck, toy and finger each other, screeching like banshees all the while. The 69 the girls worm their way into is particularly pleasant on the eye.

Next we get to see blonde fuckbunny Eve Nicholson sitting in a weird red chair and sucking on Danny Mountain, working up a fair amount of spit and letting it drip nicely onto her pert, bronzed tits. They fuck in a few positions and then Eve lets Danny put his meat up her asshole, so we get a nice anal spoons sequence. So far, so horny.

The next vignette starts a bit too artily for my taste, as the unpronounceable Ahryan Astyn gives Marco Banderas a grope in a strobe-light-filled room. Luckily, the strobing stops when the real sex begins, and busty blonde Ahryan rides Marco in plenty of positions (spoons, reverse cowgirl, doggie to name but a few). She's not my favorite porn star – nothing outstanding in looks or performance. Maybe I'm getting jaded in my old age.

Annoyingly, the next scene is a little drab. It stars jessica and Derrick Pierce and, as such, I was hoping it would be an electrifying romp between two experienced fuck-flick stars. But it just feels a little by-the-numbers. Even Sky's usual flair is lacking here. Nice gloopy cumshot at the end though, which somewhat makes up for it.

We end with Nika Noire and Jerry fucking in another big weird chair (where the fuck do these people shop for furniture?). Nika's okay to look at and the sex here is passionate, but the distracting colors in the background and easy listening muzak give it an air of lameness it could do without. For a movie that started well, it pretty much fades to a whimper, much like every day of my life.

# Riley Steele: Perfect Pet

**Starring: Riley Steele, Britney Amber, Dakoda Brookes, Nika Noire, Shawna Lenee, Robby D, Danny Mountain, Erik Everhard, James Deen, Jerry, Johnny Sins.**
**Directed by: Robby D.**
**Available from: Digital Playground.**

Okay, I've gotta start by declaring that I really want to fuck Riley Steele. That means I'm biased, and this review may end up compromised as a result, but boy do I wanna tap that ass. Hoo-hah!

She begins the movie swanning around the kitchen in tight black underwear, before getting out of it pretty quick so that Erik Everhard can paddle her tight butt with a leather paddle. They give each other a few minutes of oral lovin' before he starts screwing the blonde fuckpuppy in the missionary position. After a while, they shift to doggie and reverse cowgirl, and then Erik loses his dignity over her tush. Nice opening number, as evidenced by the stiffening in my jockeys.

Scene two involves Britney Amber, a woman who a blind man would describe to a tee if asked to imagine what a porn star looks like. She is blonde, has tits that come out to, like, HERE, and has the kind of toned, bronzed figure that my wet dreams are made of. She has a playful scene with Jerry, both performers looking like they're having a whale of a time. Oral, plenty of positions and a popshot to the pussy. All's good in pornoville.

Riley's back for scene three, and this time she's wearing a dog collar and drinking milk out of a bowl. She gets fucked roughly on a bed by James Deen, wrapping her lithe figure around his rigid dong in a very enthusiastic manner indeed. Once again, she takes a load on the ass, which I kinda think is cheating seeing as she's got such a pretty mouth.

Nika Noire is a hottie I've not seen before, but she's one tasty brunette and sucks a mean cock, which means I'll be typing her name into lots of search engines from here on. The BJ she performs on Danny Mountain is particularly professional – if I get just one like that in my lifetime, all this shit will have been worth it [Never gonna happen – Ed.]

The next two scenes are equally hot – Shawna Lenee is so cute my heart actually breaks when I watch her in action, mainly because it's not my boner she's burying in that freckly little button-nosed face.

The final scene, a threeway with Riley – who I still really want to fuck – Dakoda Brookes and Danny Mountain, is a real treat. The bit where Riley licks spunk from Dakoda's shaved snatch will always be with me.

# PinUp Perversions

**Starring: Krystal Steal, Maya Gates, Riley Evans, Taylor Chanel, Tony De Sergio, Eric Masterson, Jerry, Marco Banderas, Mick Blue.**
**Directed by: Laurent Sky.**
**Available from: Club Jenna.**

An arty, clever and stylish fuck-flick from first frame to last, this is a love or hate affair. True, I get bored with arty stuff sometimes, but this one is filmed real nice, and features babes in great outfits having nasty sex. As far as I'm concerned, I fall into the 'love it' camp.

We begin with Krystal dressed up as a 1940's glamour girl watching a stag loop of herself getting fucked from a flickering projector. The footage goes into full color as the real screwing starts, and the retro music gives way to lame techno, but the classy feel remains. Krystal looks lovely as ever, and her shiny pink pussy looks pretty delectable even when there's a big penis ramming in and out of it. The dude jerks himself into her mouth at the end and we cut back to Krystal in the screening room watching herself drain his cock. Intertextual!

Krystal sashays straight into the next scene, looking stunning in frilly panties and a wire-frame corset straight out of a burlesque wardrobe. She screws Tony De Sergio silly in a beauty parlor, riding him for all he's worth in a bunch of revealing positions. The one problem is the weird pink and blue filter that remains throughout the scene. The novelty soon wears off, which is a shame as it's very frisky otherwise.

The next scene starts fantastically – Riley Evans is dressed in a tight blouse, tight skirt and sheer stockings. She's up a ladder in a pharmacy and before long Mick Blue is grabbing her from behind and giving her a good ravishing. The sepia tone and 40's style really work here – although it's better with the sound off as the dumbass techno kicks in halfway through.

The next scene is even better – Maya Gates is dressed as a slinky lounge singer, but she switches from her microphone to an altogether saltier prospect when she starts chugging on Marco's wang. The saturated colors and blue velvet drapes give this scene a real intensity, which is thankfully matched by Maya's raunchy performance. Man, her titties are pert too.

The final scene is set in a speakeasy, and as soft jazz music plays, Taylor Chanel gets peeled out of her period costume by a stud dressed as a gangster and then proceeds to give him a very nice blowie indeed. They fuck in plenty of positions and he coats her with the creamy stuff, a fitting end to a sweet DVD.

# Freshly Picked and Juicy

**Starring: Christina, Aurora Snow, Piper Austin, Sindee Jennings, Stephanie Cane, Jay Ashley, Suiss Balls, Frankie Youngs.**
**Directed by: Michael Raw.**
**Available from: Dirty Laundry Pictures.**

Okay, this is some lowest common denominator nasty-ass porn right here. Sheeeeeit, I haven't had a gonzo flick with production values this low come my way for quite some time. Even the hot girls somehow look skanky here. I guess it's the mixture of poor lighting, bad camerawork and dismal locations. The repetitive use of the same godawful attempt at a hip-hop track on the soundtrack doesn't help either.

This lame DVD opens with Stephanie Crane, a pretty, slim chick with dark hair and a nice figure, getting her buttcheeks massaged on a green couch. The dude doing the massaging soon gets tired of that, and instead gives her his dick to play with, which she does. The sex here is okay, and Stephanie is doubtless a good pornobabe, but the interminable close-ups of the dude's hairy ballbag and harsh lighting don't do either performer any favors. The extended close-up of Stephanie's cream-pied cunny starts to make it look like something from an R-rated sci-fi movie too.

Sindee Jennings is the next good-looking girl to get filmed in such a raw way that it starts to get hard to look at. I'm no fan of gaping, so seeing this pretty chick's lovepot getting stretched wide enough to make your eyes water isn't my idea of fun. She then gargles cock for a while before riding her dude on a couch that looks like they just found it on the street. Oh, and whoever gave her that ugly tattoo above her ass really should offer her money back.

Piper Austin comes next and, yep – you guessed it – once again we have a good-looking babe getting fucked while the atrocious camerawork gets all the wrong angles. I don't have any problem with a bit of reality thrown in with my porno, but this shit resembles one of those ugly, arty European movies with uncomfortable sex scenes.

The next scene lowers my spirits further, as it stars Aurora Snow – a gal I've debased myself to many times over the years, but the shoddy lighting's not doing her any favors here. And the filthy fingernails of the guy holding open her pussy are the final straw for me – that's just gross.

# Smoking Hot Gazongas Vol 1

**Starring: Abbey Brooks, Aiden Starr, Hunter Bryce, Capri Cavelli, Sarah Jessie, Spyder Jonez.**
**Directed by: Spyder Jonez.**
**Available from: Iron Cross/Teravision.**

The title of this movie implies that there are gonna be sequels, which is pretty presumptuous – I mean, what if only three people buy it? Are they really gonna roll out a follow-up if that happens?

Director, rock legend and Mr. Tera Patrick, Spyder Jonez, fucks all the girls himself in this, and starts out by interviewing the pneumatic Abbey Brooks. She yaps on for a bit before taking Jonez's dick in her mouth and slurping all over it. The fucking begins in earnest, and it's pretty smokin' (as the title would suggest). Problems? Well, Spyder's heavy tats are something of a distraction (that applies to the whole movie) and the lighting isn't great, but the sex is fast and furious and it's shot from plenty of angles.

Spyder points out that the tits of his next co-star, Aiden Starr, are the, "best natural tits in the business." You know what? He could be right. They're amazing – huge, perky, and forming a natural cleavage without the use of a bra. She's a bit yelpy during sex, but again it's hot stuff and there's a great gloopy cumshot at the end of it.

The awesome breasts and drop-dead-gorgeous face of man-voiced Hunter Bryce are the next thing we see, and she describes herself as a, "big ol' slut." There's no evidence here to the contrary, as

she peels down her hotpants and masturbates to the camera, then lets the self-styled rockstar pimp fuck her mouth and then her cunt. She's an incredible, Amazonian piece of work, but I think I'd be too scared to fuck her.

Sarah Jessie, a narrow-faced blonde, has equally large melons but she's a calmer, gentler fuck. She rides Spyder's cock wearing nothing but fishnets, and gives us a neat view of her pierced clit as she does so. Plenty of positions (including piledriver) and a cumshot to her wide open mouth are the order of the day.

Capri Cavelli rounds things off, and she is one fine lady too. Very cute, great figure, and definitely one to look out for in the future. She lets Spyder do her in a variety of positions (though she spends most of her time riding him cowgirl) and takes a frosting. On the strength of this, I'd say it's a good thing Spyder gave up his day job and turned to porn.

***Jasmine Byrne, Missy Monroe*** and six dicks. You would think these two have bitten off more than they could chew. But, not so fast. They're here to show it how its done. Keeping one guy satisfied is a piece of cake, but six, better call your BFF for back up. These beauties use their mouths, pussys and asses as only they can. These babes sex motto. No man's cum left behind!

## BEST BLOW JOB SCENE

***Lyla Storm*** The difficult categories just keep on cumming. And that's what we looked for in the best fellating lassie we could find. A great money shot is quite important, but we like the whole enthusiasm to blowing our cock thing. Rub it, tug it, play with it until it's as hard as can be. Then, put your mouth around it and blow, bob, lick and wait for us to spill. Lyla's showing us her best.

2019 club Awards

## BEST SOLO PERFORMER

***Stormy Daniels*** is one amazing woman. All that she's accomplished makes us stand up and salute. Our salute is sin-cere and cock-throbbing. As her future unrolls before our eyes, we decided to show you some of her past that made her the envy of the adult world and the apple of many men's eyes. It was the fortunate few that were able to savor her sweet offerings.

## BEST GIRL-BOY-BOY SCENE

***Danny D, Anissa Kate, Tony de Sergio*** Sometimes in a three way, someone can feel or get left out. Well, that's never the case with sexpot Anissa. A real sex freak, she's looks beautiful with huge cocks in her holes. She's the very best at multitasking, always willing to take a stiff one in any hole. But these two studs and their monster dicks are no match for her mouth, pussy or ass.

## BEST INTERNATIONAL STARLET

***Anissa Kate*** We scoured our sexual planet for the hottest starlets in the world hoping we could cut it to one. Yeah, right! There were so many beautiful women from many countries and we managed to cut it down to 500. Then we went to bed and dreamt about Anissa. Then, voila, it came to us. Next time we're hoping to devote and entire issue to more beautiful worldly women.

## BEST TOY PLAY

***Silvia Saint, Eve Diamond*** Okay, so we've seen a lot of ladies playing with many different types of toys. From incredible pussy and ass stretching monsters to tiny vibrators no larger than your pinky finger. But our absolute favorite is the double dildo, and the bigger the better. From these photos, Silvia and Eve enjoy a two footer in their beautiful pussies. Some dongs gets all the fun.

## BEST INTERRACIAL SCENE

***Aaliyah Love, Ana Foxxx*** There's something about chocolate and vanilla that's appealing to our taste buds – and eyes. Whoever the genius was that paired these two together needs a pay raise right now because these photos have piqued our voyeuristic tendencies. We can't get enough of these two lesbian beauties eating each other's box of chocolate that have us all wanting more.
